Cooke-Dr. Calvert: That a letter be sent to the Deputy Minister of Municipal Affairs giving him all the figures as to the borrowing power of the City and asking him for his approval of By-Law No. 233 (By-Law to borrow \$ 10,000.00 for Waterworks purposes) . carr.

Keevil-Holliday: That Lot 24 Map 458, Becker Street be sold to Mrs. M.A. Clayton for the sum of \$ 25.00 . carr.

Alderman Cooke reported that the Govt. grader had been grading several of the city streets and would go over all the streets where needed in the near future.

Alderman Holliday reported a small reduction in Relief for the 1st. quarter of the current year compared with the year 1935.

Minutes of regular meeting of the City Council of May 11th. 1936.

----- 2 ----- continued

He furthermore reported that Mrs. Colter having passed away the City would have to find a new home for the four McFadden children, and he and Miss Charlton had been looking about for a suitable place. They had come to the decision that Mrs. W. T. Rogers on Backer Street was the most suitable person to take care of the 4 children at \$ 50.00 per month, which did not include clothing.

Cooke-Keevil: That the 4 McFadden children be placed in the home of Mrs. Rogers at \$ 50.00 per month and an agreement be drawn up for one year, subject to one month notice by either party. carr.

Alderman Keevil reported that there had been complaints with regard to the floor of the R. Halland the question of a hardwood floor had been brought up. He suggested to get quotations on Maple and oak flooring for the next meeting. The question of a 20 mile speed limit within the city was discussed but left in abeyance. There were two complaints with regard to several defective places in the cement sidewalks on Railway Ave. North & south and Alderman Cooke assured the Council that he would have the necessary repairs done without delay.

Cooke-Dr. Calvert: That 26 lights be replaced on Ry. Avenue South and the switch near Hope's Bakery be repaired. carr.

Keevil-Cooke: That By-Law No. 234 (1936 "ate By-Law) be reconsidered and finally passed. carr.

The Council went into committee and Alderman Keevil explained in full that he proposed to lay approx. 6000 ft. of 10" watermain and that he had engaged Mr. Tassie to make out the necessary plans for the work to be undertaken without delay.

Dr. Calvert-Holliday: That the accounts as passed by the Finance Committee be paid:

REPORTS: Alderman Keevil reported that the first section of the new 10" Water main had been completed at a cost of \$ 4562.55 which was about \$ 200.00 below his estimate, and he considered the work very satisfactory. He proposed to commence with the second section forthwith.

Minutes of regular meeting of the City Council of July 13th. 1936

----- 2 ---- continued

REPORTS: He furthermore reported that the Highland Park Water District wanted the City to purchase their discarded 3" iron pipe, but he had made no definite offer to date.

Alderman Cooke reported that shaling of new C.N.R. Road with two Govt. trucks had been completed and that he was now hauling shale for the Otter Lake Rd. He also reported the cutting of noxious weeds as far as possible.

Alderman Dr. Calvert reported that he proposed to test the fire hose as soon as the laying of the new 10" pipe had been completed. He furthermore proposed to make the hydrants more conspicuous by cutting the weeds and grass around them and giving them a coat of paint.

Alderman Holliday reported that the Govt. investigator had looked into several Relief cases and W.J. Hervert had been cut off relief. There was also a reduction in the number of Relief cases due to more employment being found.

Alderman Adair reported that H. McKeen wished to seed down the new part of the Cemetery ~~to Adair~~, and he had given him the use of the land for two years.

Adair-Holliday: That Mr. E.A. Lynch be appointed acting clerk during the absence of the City Clerk. carr.

The petition by Mrs. George Murray and others for a sidewalk on Harding's Hill was again presented. After full discussion it was decided that the only means of providing a sidewalk at this point was through a local improvement tax. As the petitioners had stated that they did not wish to incur the levy of a local improvement tax, there seemed to be no alternative but to deny the petition.

Keevil - Cooke: That the request for the construction of a sidewalk on Harding's Hill be not granted. carr.

Cooke - Adair: That the Council adjourn. carr.

Minutes of regular meeting of the City Council, held in the City Hall,
Monday, August 10th, 1936.

Present, the mayor, and aldermen Aftair, Calvert, Holliday, and Keevil.

Minutes of regular meeting of July 13th were read, and on motion of Aldermen Calvert - Keevil were adopted as read.

Correspondence: The following communications were received:-

1. The Minister of Public Works, Ottawa, stating that enquiry regarding a shed located on government owned property in Armstrong had been referred to the Architectural Branch for a report.
2. G. F. Elliott, constable, presenting his monthly report for the month of July.
3. Vancouver General Hospital, re the admittance of Mrs. T. K. Smith.
4. Workmen's Compensation Board, re Wm H. Mills, deceased, awarding pensions to Edith Jane Mills, widow and to Ellen E. Jean Mills, daughter.
5. Gordon Lindsay, Vernon, re duties of Police Commissioners.
6. Superintendent of Welfare, re Mothers' Pensions Accounts.
7. Unemployment Relief Branch, Victoria, re case of W. E. Shaw.
8. Mrs. Mary Ogilvie, re prospect of selling her property.
9. Empire Brass Manufacturing Company Limited, acknowledging receipt of letter of August 5.
10. The Spectator Company, Philadelphia, making enquiry as to license fees and taxes levied on insurance companies and their agents.

Calvert - Keevil: That letters 1 - 10 be received and filed. carr.

PETITION: A deputation waited upon council presenting a largely signed petition asking that immediate steps be taken to abate the dust nuisance on the city streets, caused by the prolonged spell of dry weather. A sympathetic hearing was given the deputation, and a full discussion was held, the conclusion being that council was of the opinion that the present state of the city's streets did not lend itself to the application of an effective remedy for the dust nuisance either by the application of oil or water. If the streets had a harder surface something effective might be done. In time this difficulty will be lessened as the council carries out its policy and programme of surfacing the streets with shale. It was thought that advantage might be taken of government equipment when it is being used for the hard surfacing of the highway where it connects with the city pavement.

Calvert - Keevil: that action re the dust nuisance be deferred until the arrival of the government equipment for hard surfacing. carr.

REPORTS: Alderman Keevil reported the completion of the laying of the ten inch water main, and that pressure was well up to standard. He also reported that it had been necessary to re-lay 150 feet of pipe on Patterson Avenue. The moving of the hydrant on the grounds of the elementary school was authorized, this being necessary as the hydrant in its present position constitutes a hazard on the playground. Fire protection will be improved after the removal, as the hydrant will then be connected with a four inch pipe instead of a two and a half inch pipe as at present. As to supply of water during the protracted dry spell, Alderman Keevil reported that the level at the reservoir was being maintained, but if the dry weather continued much longer it might be necessary to restrict the use of water for lawn sprinkling.

Holliday - Calvert: that the water department be given authority to restrict sprinkling privileges if found necessary. carr.

Alderman Holliday reported the receipt of a letter from the Unemployment Relief Branch at Victoria, containing a report on the investigation of a local case of relief.

Alderman Calvert reported that the hydrants throughout the city had been given a fresh coat of paint, and that the grass and weeds which had surrounded many of them had been removed. He also reported that following the completion of the laying of the new mains it was his intention to test the pressure at the various hydrants.

The question of the feasibility of constructing a wading pool for the children of the city was introduced and discussed in some detail, but no definite action was taken.

There was also a discussion on the question of dairies and sanitation. A number of instances were cited of citizens who keep one or more cows and make a practice of supplying other citizens with milk. This would seem to be unfair competition with the licensed dairymen whose herds are subject to rigid inspection. While it was not thought feasible to levy a tax or license in the cases mentioned, it was decided that every precaution should be taken through the work of the health officer in order to safeguard the health of the city.

George Wiebe made application for the rental of four lots on Becker Street for the season of 1937, for the sum of five dollars.

Keevil - Calvert: That the offer be accepted, subject to revoke in the event of an opportunity arising for the sale of the lots. carr.

Keevil - Adair: That the accounts as passed by the Finance Committee be paid.
